Picture Day Coming Soon...

Dice Photography will be here for individual photos on Thursday, November 5th. As added precautions Dice Photography will not have contact with the children. Our staff will be assisting their team with placing the children for pictures. The sample backdrop is up in the Lobby. As always, pictures must be prepaid!

HOLIDAY CHANGES 2020

Due to the rising positive test rates of Covid-19 we have chosen to cancel our Holiday program and other large gatherings at the center. I understand how sad this is but we want to put the safety of our families at the forefront.

We will do everything in our power to ensure we offer the safest and happiest holiday season for our kiddos.

Please ensure your child's name is written in their coat. We will be writing their names in them if it is not already. Also, feel free to bring in an extra set of gloves and hat to leave in their cubby!

WANT FREE TUITION?

Don't forget, if you refer a family and they enroll you will receive 1 week of free tuition after their 4th week.

It's time to FALL BACK! Don't forget to turn your clocks BACK one hour on Sunday, November 1st..
