Summer Program

We are a go for summer program and field trips! This is very exciting news. We may have a couple swimming field trips we will have to schedule later as The Springs is waiting on final confirmation for groups from the KCHD. Summer fee will be \$180 this year. This will include all of in house and out of center field trips/activities. It can be paid in full through the tuition box or Tracy can add to your weekly card run. The first half is due by Friday, 4/16 and final payment is due by Friday, 5/14. Summer packets will go out in a couple of weeks with the final calendar, permission slip, and waivers!

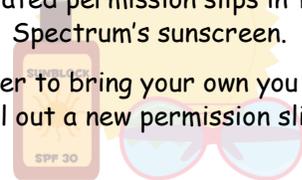

Please check your child's cubby for extra clothes and change them out for Spring! It is still chilly in the morning so please ensure your child has a jacket everyday! A friendly reminder that sandals and flip flops are not safe shoes for the playground! Sneakers and closed toe shoes are the best.

Sunscreen Permission

Spectrum Station will have sunscreen available to use if you do not want to bring in your own. There are pre-populated permission slips in the lobby for Spectrum's sunscreen.

If you prefer to bring your own you will need to fill out a new permission slip!

School Age

If your child will not be on the bus after school PLEASE let the center know! This allows us to prepare for absences and ensure our kiddos are where they are supposed to be.

PURPLE UP!
